Ministry Update

Thank You!

Your Support Made Our Move Possible and Successful!

“blessed to see people gathering for **worship**, building **relationships**, and growing in their **faith**.”

We extend our heartfelt thanks to all our supporters who have stood by Calvary Life Church as we transitioned our Sunday services from home to a local event center. This move marks a significant milestone in our journey, allowing us to reach more people in our community and create a space where we can grow in faith together. Your generous donations have played an essential role in making this happen, and we are truly grateful for your continued support.

This past month has been an exciting season for Calvary Life Church. We have been blessed to see people gathering for worship, building relationships, and growing in their faith. Moving our services into the event center has created new opportunities to connect with our community and reach more people with the Gospel.

Thank you for your prayers, encouragement, and financial support. Your partnership is helping us make a lasting impact in Killeen, and we are grateful for your investment in this mission.

Moving Forward

Launching Wednesday Night Bible Study

We are excited to launch Wednesday Night Bible Study this July at 7 PM in the same location as our Sunday services. Having all of our services in one location will make it easier for people to connect, grow, and know where to find us each week.

These weekly gatherings will include Bible teaching, prayer, fellowship, and opportunities to grow deeper in God's Word. While adding Wednesday services does increase our monthly ministry expenses, we believe this is one of the best opportunities to reach more people in Killeen and provide another consistent opportunity for spiritual growth and discipleship.

We encourage everyone to invite friends, family, and neighbors as we continue building a community centered on REAL PEOPLE. REAL JESUS. REAL LIFE.

Outreach

As we gear up for our soft launch this July, we are thrilled to share our initiatives aimed at fostering community and faith at Calvary Life Church of Killeen. Kicking off with our Launch Service on the 4th Sunday, we invite everyone to join us in celebrating this significant step in our journey. Our Community Outreach efforts will help us connect with local residents and share what God has done for us. Additionally, we will be initiating Wednesday Night Bible Studies at 7 PM, creating a welcoming space for fellowship and growth. To amplify our reach, we'll utilize social media campaigns and personal invitations to engage more individuals in our mission. Together, we can cultivate a vibrant community grounded in faith!

Partner *With Us!*

If you would like to partner with us as we prepare for our soft launch, we are currently raising funds for outreach and ministry supplies. These include connect cards, door hangers, church signage, guest welcome materials, children's ministry supplies, promotional materials, and community outreach resources. We are also raising funds to purchase an enclosed trailer that will help us transport and store church equipment more efficiently as a mobile church.

Every contribution helps us reach more people in Killeen, create a welcoming environment for guests, and continue building a strong foundation for the future of Calvary Life Church.
